

ROBSON RANCH MUSIC CLUB'S SPECIAL COMMUNITY PROJECT FOR THE BORMAN ELEMENTARY ORCHESTRA

Borman Elementary School needs your help for supplies for their orchestra students learning instruments.

Studies show in general that children who learn to play an instrument or read music do far better than children that do not. Here is why: Learning an instrument improves cognitive skills, teaches patience, responsibility, boosts self-esteem, enhances coordination, brain growth, increases math and reading skills and lets them experience the joy of music.

This is a list of just some of the things in need for about 27 students.

Cello rosin	Bass rosin
Microfiber cleaning cloths	Cello rests
Violin shoulder rests	Pomade
3 ring binders	Black shorts
Violin tuners	Tote bags
Bass, cello, violin, viola essential music books
